

2025 OFFICIAL RULES

1. ENFORCEMENT OF RULES:

- A. Interpretation and enforcement of these rules shall be left exclusively to the Tournament Director, and the decision of the Tournament Director shall be final in all matters.

2. PARTICIPANTS AND ELIGIBILITY:

- A. All participants must possess valid fishing licenses for the tournament waters being fished.

3. ANGLER CONDUCT AND SPORTSMANSHIP:

- A. Competitors are expected to follow high standards of sportsmanship, courtesy, safety, and conservation. Any infraction of these fundamental sporting principles may be deemed cause for disqualification.

4. OFFICIAL RULES MEETING:

- A. At least one member of each team is required to attend the official Rules Meeting.

5. COMPETITION:

- A. Anglers agree to use any and all official equipment provided by or required by Warrior.
 B. Anglers must provide and use a camera during competition that utilizes Secure Digital (SD or Mini SD) format memory cards. Additionally, the camera must feature a standard, rectilinear type lens (no "fisheye" type lenses allowed).
 C. Prior to take-off, each boat MUST be available for inspection.
 D. Each boat must display a numbered "boat board" provided at take-off and check-in.
 E. All fish must be caught live on a hook and line in a conventional sporting manner. Anyone guilty of snatching or snagging fish (that is, not hooked per state regulations) will have their entire daily catch disqualified.

7. MECHANICAL BREAKDOWNS:

- A. In the event of a mechanical breakdown, the Anglers should attempt to make contact with Officials to inform them of the situation.
 B. In the event of a mechanical breakdown, it is permissible for one Partner with the official scorecard, SD memory card, and boat board from the disabled boat to transfer to another competitor's boat for transport to the check-in point. The Partner and the assisting boat must still arrive at the check-in point on time, or face late penalty disqualification.

8. SAFETY:

- A. During competition, each participant must wear a Coast Guard-approved chest-type personal flotation device (PFD) at all times the main combustion engine is operating above no-wake speed.
 B. Tournament Officials have the right to delay, shorten, or cancel the start of an official tournament day.
C. IN THE EVENT OF AN EMERGENCY SITUATION, COMPETITORS SHOULD CALL 911 FIRST AND THEN NOTIFY OFFICIALS.

9. BOAT AND MOTOR:

- A. Only Warrior Boats may be used in competition.
 B. For the safety of all competitors, all boats must be equipped with an approved operable ignition kill switch and lanyard.

10. CATCH-RECORD-RELEASE™ FORMAT:

- A. This event is designed for "weigh-in" through a photo and scorecard process, referred to as Catch-Record-Release™ (CRR). No fish will be brought to the "weigh-in stage".
 B. Only a UNIQUE Walleye, Sauger, or Saugeye may be processed and scored. A UNIQUE fish by definition is one that has just been caught using legal fishing methods, recorded, and released.
 C. A complete photographic record of each fish scored is needed. Boat partners will work together to measure, photograph, and record their catch using the official Ruler and BOTH sides of the fish must be clearly photographed.

11. SCORING:

- A. Teams will select up to FIVE (5) fish to be counted towards their daily weight and designate these fish on the Official Scorecard. These are the only fish that will be scored.
 B. At check-in, the ruler, SD memory card, and Official Scorecard will be turned in to a tournament official. The photos of each fish will be used for confirmation of length and to validate the Official Scorecard. NO validating PHOTOS or LOSS of the Official Scorecard will result in forfeiture of ALL WEIGHT that day.
 C. In the event a photo that designates a fish to be scored is judged to be unscorable, a replacement fish will not be allowed.
 D. The official minimum length will be 12.25 inches; the tail MUST touch at least the 12-inch mark on the ruler. If a fish recorded on the Official Scorecard has an associated fish photo that does not meet the minimum length, it shall result in the entire daily weight being disqualified.
 E. Any fish that appears to have been mangled, mashed, mauled, or otherwise altered will be credited only at the discretion of the Tournament Director. Any fish that are deemed altered by an angler may result in Team disqualification for the day or event.

**Interpretation and enforcement of these rules shall be left exclusively to the Tournament Director.
